*All you need to know about North Broward Prep Athletics!*

## NBPS Basketball Gives Back to the Community!

In an inaugural event this season, both the NB Girl's and Boy's Varsity Basketball Teams participated in the Coaches vs Cancer 3-Point Challenge. The 3-Point Challenge is a national program that unites high school and college basketball teams toward a common goal - ending cancer. Teams compete throughout the month of January to gather pledges for each 3-pointer made, and all funds raised go directly to the American Cancer Society. This year, the North Broward Basketball program finished in the top 20 of high schools across the country! The teams hosted a culminating event, our Gold-Out Game, on January 25th where all proceeds from gold t-shirt sales, gate, and the concession stand were donated to our 3-Point Challenge campaign. Thank you to every player, parent, friend and community member who donated!
