NB Tennis Gives Back to the Community

On Thursday, March 21 the NBP Girls and Boys Tennis team took a break from their team practices and matches to partner with the Deerfield Beach Tennis Club's program for handicapped tennis players. The NBP players had a fun-filled afternoon of playing the sport they love while helping this great group of tennis players improve their skills and technique. It was a great opportunity for our NB Tennis players to come together as a team and give back to the community. Great work Eagles!
